Bob's company has cleaned our carts and baskets for over 1 ½ years. In this time of cleaning we have received an exceptional cleaning and disinfecting service. We have received numerous compliments from our customers on how much cleaner the carts, baskets and store has been. We are very impressed in his green cleaning chemicals and the quality of work he does.

Bob took extra precautions during last years the Swine flu seasons and kept us abreast of the disinfecting procedures he had developed for us and our customers. After the cleaning Bob comes back to our stores and checks out his employees work. He does this to further train his employees and to make sure the cleaning of the carts and baskets are up to his high standards. Bob's company will develop a cleaning and disinfecting procedure that is customized for your organization which you and your customers will appreciate.

A handwritten signature in black ink, appearing to read "Brian Gourley". The signature is stylized and fluid, with a large initial "B" and a long, sweeping underline.
